According to the complaint, Defendant Daniel Cruz-Escobar was arrested on April 29, 2008, in the area at the San Ysidro Port of Entry where pedestrians exit the United States to Mexico. Undersigned counsel is aware there are surveillance cameras in that area, and anticipates filing a motion to suppress based on an unlawful seizure. Accordingly, he requests the court order the government preserve any evidence related to his seizure, including any video or audio recordings.

Respectfully submitted,
